Virtual Dementia Tour™

Come let the facilitators at Brighton Gardens guide you through a personal experience that simulates what dementia might be like. Experience this “window to their world” and allow it to change what you think about and how you care for someone with dementia. A light dinner will be served. Because of the nature of this program, attendance is limited to 20 participants. Please email Judy Iannuzzi, Jiannuzzi@shepherdscenter.org to register.

Community Service Project

We will be collecting items for the Tab Williams Adult Day Center. Their most urgent needs are for large adult diapers, Kleenex tissues, paper towels, and sanitary pads. Please bring any of these items to the meeting, or drop them off at the Shepherd's Center during January. Thank you!
