## Virtual Dementia Tour™

Come let the facilitators at Brighton Gardens guide you through a personal experience that simulates what dementia might be like. Experience this "window to their world" and allow it to change what you think about and how you care for someone with dementia. Because of the nature of this program, attendance is limited to 15 participants. Please email Judy Iannuzzi, [Jiannuzzi@shepherdscenter.org](mailto:Jiannuzzi@shepherdscenter.org) to register.

This is a repeat of the program Brighton Gardens did for the January 10, 2012 Nurse Network meeting. Many thanks to the staff of Brighton Gardens for offering the class again for those who were wait-listed in January, or were unable to come for other reasons. The January class was full and was much appreciated by those who attended.
